Electric Fireplaces

 **Dimplex**[®]

Built-in Electric Cassettes

Design with fire,
not limitations.

Picture the perfect fireplace:
any length, any location, and
any number of sides. Forget
about venting, gas lines and
hot glass, because they are a
thing of the past.

Now imagine flames made of
water that you can reach out
and touch. The revolutionary
Opti-myst by Dimplex
reinvents the electric fireplace
and makes it easier than ever
to add a dramatic fire feature
to any space.

See-through, three-sided,
open concept, the possibilities
are endless, so go ahead,
play with fire.

Specialty Features

Crackling Sound Effects
Enjoy a more complete sensory experience with
the sound of natural wood fire.

Customization
Multiple 20" (50.8 cm) and 40" (101.8 cm)
cassettes can be combined in series to achieve
the desired length for dramatic linear installations
impossible to achieve with gas fires.

Sight and Sound Remote
Control the flames and crackling sound effects at
the touch of a button.

Continuous Water Supply
Optional plumbed water supply kit provides
continuous operation without refilling water tanks.

Features

Opti-myst® Flame Effect

Revolutionary ultrasonic technology produces a fine mist to create the illusion of flames and smoke.

All-day Flames

Fill the water tank with tap water and enjoy up to 8 hours of flames or use the plumbing kit for continuous water supply.

Adjustable Flame

Control the desired volume of flame to suit your mood.

Media Options

Includes flat plate that can be customized with contemporary media (not included). Optional inner glow logs also available.

Frame, Wire and Finish

Basic installation requires fewer tradespeople, no gas lines, venting or chimney.

Heat-free Operation

Designed with the sole purpose of providing a stunning visual flame feature.

Energy Efficient

Uses low-energy LED lights for low-cost operation.

Reduces Liability

Ideal for public spaces in commercial installations; meets the strictest building codes.

Specialty Features

Thermostat-controlled Heater

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable.

Under Lit Logs

Detailed, hand-finished logs are lit from within for the look of natural burning logs.

Glowing Ash Bed

A natural arrangement of glowing ashes creates an authentic feel.

Metal Log Grate

Traditional metal log grate enhances the fireplace look while cradling the handcrafted logs.

Curved Plate

Flames rise from the center of a curved plate, creating a stylish and contemporary look.

Room Divider

Finished on both sides. Perfect for separating spaces with style.
