Built-in Electric Fireboxes

Revillusion™
by Dimplex

The Future of
Fireplaces is Clear.™

Revillusion™ is a completely new way of looking at fireplaces, and changing the standard for electric. A clear view through the lifelike flames, to the full brick interior, captures the charm of a wood-burning fireplace. Enjoy the look of a fireplace cut straight from the pages of a magazine by choosing Revillusion™; clearly a better fireplace.

Firebox Features

Revillusion™ Flame Technology

Flames are larger, brighter and more random, appearing from within the logs.

ThruView™ Full-depth Design

See clear through the flames to the back of the firebox for a more authentic experience.

Mirage™ Flame Panel

Partially frosted acrylic panel is clearly better than a mirror, showing only dazzling flames and no reflections.

Realogs™ Plus

A full grate of life-size hardwood-cast logs, tiered for greater depth.

Full Brick-surround Firebox

More authentic day or night; 270-degree herringbone brick with natural soot markings.

Mood Lighting

Customize the firebox glow with a choice of warm hues, plus midnight mode.

Color Enhancement

Adjust the flame base color to red or blue.

Brightness and Flicker

Adjust light level to suit the room and choose flicker effect for enhanced firelight.

Ambient Light Sensor

Automatically adjusts firebox light to suit the room day to night.

Quick and Easy Installation

Simply frame, wire and finish – no venting, gas lines or safety screens.

Primary Heat

Option to use 240 volt supply for up to 8,800 BTU - use as part of primary heating plan; heater also operates without flame and can be deactivated.

Direct-wire

Designed to be direct-wired to a 120, 208 or 240 volt circuit for a seamless look (optional plug kit available).

Plug-in Electric Log Sets

Revillusion™ Flame Technology

Flames are larger, brighter and more random, appearing from within the logs.

ThruView™ Full-depth Design

See clear through the flames to the back of the fireplace for a more authentic experience.

Mirage™ Flame Panel

Partially frosted acrylic panel is clearly better than a mirror, showing only dazzling flames and no reflections.

Realogs™ Plus

A full grate of life-size hardwood-cast logs, tiered for greater depth.

Heat On Demand

Enjoy the heater without the flames to warm up your room.

360° Light

Add flickering light to enhance the firelight effect.

Color Enhancement

Adjust the flame base color to red or blue.

Brightness

Adjust light level to suit the room.

Hidden Heat

Fan-forced ceramic heater provides perfect comfort for small spaces.

Just Plug It In

Simply plug into any standard household outlet for instant ambiance.
